This 2012-2013 season will be our 76th continuous season of operation. We want to thank all the past leaders of our organization and all the generous patrons who have made this tradition possible. We are also very grateful to the United Methodist Church for allowing us to use their beautiful facility for these concerts. Last season was a huge success as memberships and donations came in which made it possible for us to book talent that we only dreamed of just a few years ago.

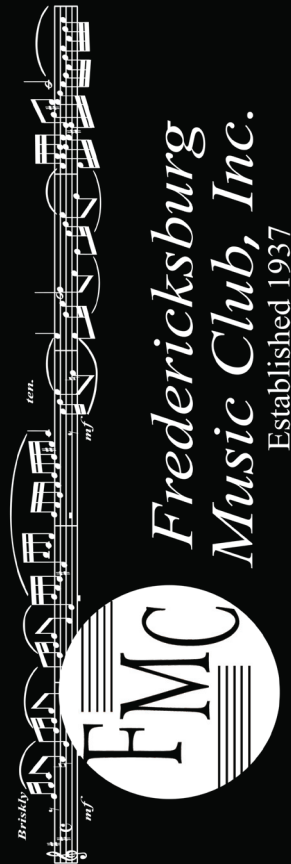

-THANK YOU

Your continued support is both needed and appreciated. Donations can be made through the mail using the enclosed envelope or at our web site. We look forward to seeing you and your guests at the concerts.

The Fredericksburg Music Club originated in 1937 as a small study club in a private home and has now emerged into a music organization of international reputation. Everyone is welcome at our concerts.
