In 1937 the Fredericksburg Music Club was established to promote and expand the knowledge, understanding, and appreciation of classical music. We appreciate all you do to help achieve these goals established 77 years ago.

We enjoyed record donations and membership last season and are enjoying growth and recognition for what we do more than ever before. Newly installed video at the United Methodist Church make it possible to project close up views of the performers to make it easier to see. Your support makes it possible to attract world class performers to our concerts. Performers enjoy coming to Fredericksburg because of your warmth and our community. That is something we can really be proud of.

Our 2014 – 2015 season begins in September. We appreciate your continued support. Donations can be made through the mail using the enclosed envelope or at our web site. We look forward to you and your guests enjoying the concerts.

-THANK YOU

Mark Eckhardt
